

# Market mechanisms for recovering water in the Murray-Darling Basin

Productivity  
Commission  
Circular

9 December 2009  
No. RWMDB C3

## Draft report

The draft report into Market Mechanisms for Recovering Water in the Murray-Darling Basin was released on 9 December 2009. The Commission thanks all who have contributed to this study and invites your further participation. The Commission will be conducting further visits and holding roundtables on the draft report in various locations in late January and February 2010. A final report to Government is due by end March 2010.

### Submissions

The Commission invites written submissions in response to its draft report. The original due date for submissions was the end of January, but given the downtime over the Christmas and New Year period this has been extended to Friday 12 February. Submissions should be accompanied by a cover sheet (attachment A) and can be sent by mail, fax or email.
