

S State and territory gambling data

This appendix presents a summary of state and territory gambling data, sourced from the Tasmanian Gaming Commission (1999). For each state and territory the following data is provided:

- real gambling turnover;
- real gambling expenditure;
- real gambling expenditure per capita; and
- real government revenue.

The data is provided by racing and gaming subdivision for the years 1972-73, 1982-83, 1992-93 and 1997-98.

Australia

Table S.1 Real gambling turnover, Australia, \$ million^a
