

ON BEHALF OF LES DEMBSKY

Name: Les Dembski

Ham Call: VE3NVS

Boat Name/#: Pax Vera / 50E105703 Canada registry

I live and cruise on my sailboat for the last few years and thanks to Winlink I can keep in touch with my family, friends and my office.

I think Winlink should provide global coverage for ham radio.

The system already covers about 80% (I used it) of the world.

In my opinion it would be very helpful to have another station in Australia. This part of the world is not well covered by Winlink.

As a traveling person I fully appreciate Winlink e-mail and would like to see more stations providing this service.
