

Mr Phillip Weickhardt  
Inquiry into Waste Generation and Resource Efficiency in Australia  
Productivity Commission  
LB2, Collins Street East  
MELBOURNE VIC 8003

Dear Commissioner Weickhardt,

Please,

Improve the Extended Producer Responsibility including take back schemes for containers and 'design for disassembly' and marking of sub assemblies with material type.

- Introduce a ban on non-biodegradable (supermarket etc) plastic bags, and a levy on biodegradable plastic bags
- Don't back down on recycling targets and waste minimisation targets
- Don't support landfill over waste reduction

Yours sincerely

Gary Callanan
