Public submission into Tax review for living above the 26th parallel

To Whom it may concern

I request that the commission investigate the issues with living above the 26th Parallel

EXAMPLES

- 1) High air fares
- 2) High fuel prices
- 3) High insurance prices
- 4) Costly housing
- 5) Substandard accommodation
- 6) Unfair liquor trading rules
- 7) Low availability of social events
 - a. Like live music concerts
- 8) Lack of public facilities

It should result in a 10% reduction in tax paid by us as individuals
