

Mr Phillip Weickhardt
Inquiry into Waste Generation and Resource Efficiency in Australia
Productivity Commission
LB2, Collins Street East
MELBOURNE VIC 8003

Dear Commissioner Weickhardt,

Although we are reducing a lot of rubbish by sorting out most recyclable waste, I have yet to find rubbish bin with multiple partitions in the market, this can be used effectively especially in an office as most paper waste are not sorted due to other food or non-recyclable articles being mixed with.

Yours sincerely

Vincent Yu
