Dear Sir / Madam,

Re Dr Hi Fi Executive Superannuation Fund

The recent changes to Superannuation are absolutely horrendous in their complication.

I am not an accountant. I have had the changes explained to me and rarely am I able to understand them, let alone for any length of time.

How on earth anyone could devise such a ridiculously complex system is absurd. There must have been a simpler way. It affected me as I am near retirement (just turned 60) and only working part time.

Yours faithfully,

Robin Gandevia MInstSCE (Eng.), MTETIA
Managing Director
Trustee for the above superannuation fund.
