Mr Neil Byron  
Commissioner, Price Regulation of Airport Services Inquiry  
Productivity Commission  
PO Box 80  
BELCONNEN ACT 2616

21 NOV 2006

Dear Mr Byron,

I write in relation to the New South Wales submission to the  
Productivity Commission's Review of Price Regulation of Airport Services.

In subsequent correspondence with Mr Russell Balding, Chief Executive Officer,  
Sydney Airport Corporation Limited (SACL), I have been alerted to an error in the  
submission.

The reference to a 95% car mode share on page 2 of the submission is an error. I  
understand that updated mode share information will be provided by SACL when the  
Airport Ground Travel Plan is made available to local and State authorities.

Yours sincerely,

**Jim Glasson**  
**Director General**
