

Dear Sir / Madam

I would like to thank you for the opportunity to provide submissions as part of your review of airport pricing. Brindabella Airlines are a member of the Regional Aviation Association of Australia and I am personally one of the directors of this organisation. I would like to as such place mine and my company's support behind the submission provided to you by the RAAA. We would have liked to have personally presented a submission however work pressures have not afforded me the time to do so. If I can be of any help in your review please feel free to contact me.  
Yours Sincerely

Jeffrey W Boyd
