

Mr Phillip Weickhardt
Inquiry into Waste Generation and Resource Efficiency in Australia
Productivity Commission
LB2, Collins Street East
MELBOURNE VIC 8003

Dear Commissioner Weickhardt,

In relation to the draft report dated May 2006 please don't back down on recycling targets and waste minimisation.

Please aim to reduce waste and introduce measures to recycle especially plastic bags.

Incentives need to introduce to encourage consumers to be more environmentally sensitive for future generations.

Yours sincerely

Frank Krstic
