

Mr Phillip Weickhardt  
Inquiry into Waste Generation and Resource Efficiency in Australia  
Productivity Commission  
LB2, Collins Street East  
MELBOURNE VIC 8003

Dear Commissioner Weickhardt,

As a concerned member of society – re the problems of waste- I would like to see more done by the manufacturers to

- i) reduce the waste of packaging and we need
- ii) to make them accountable for the future disposal of the products.

This is an ever growing problem and I don't feel we are getting anywhere.

Yours sincerely

Christine O'Neill
