

Mr Phillip Weickhardt
Inquiry into Waste Generation and Resource Efficiency in Australia
Productivity Commission
LB2, Collins Street East
MELBOURNE VIC 8003

Dear Commissioner Weickhardt,

There are few imposed responsibilities laid on goods producers – apart from choices of recyclable materials – to take responsibility of producing:

1. products that last longer
2. product parts that can be recycled individually
3. much less packaging – often the presentation and wrapping almost reaching the value of the product itself.

Yours sincerely

Mrs Gith Strid-Nwulaekwe
