To the Productivity Commission,

RE: Superannuation Consumers' Centre (SCC) Business case

Please find attached the Superannuation Consumers' Centre Business Case. We have provided this document to expand on the recommendations made by CHOICE and the Consumers' Federation of Australia, that independent consumer advocacy is funded in the superannuation sector.

This proposal builds on the original model proposed in 2013, specifically it develops an independent consumer led response to many of the shortfalls in the sector highlighted by the Productivity Commission's draft report.

Yours sincerely,

Xavier O'Halloran
