

Mr Phillip Weickhardt
Inquiry into Waste Generation and Resource Efficiency in Australia
Productivity Commission
LB2, Collins Street East
MELBOURNE VIC 8003

Dear Commissioner Weickhardt,

I would like to voice my concern at the amount of waste and cost of waste, to the community and to the environment.

The areas I would like to see improved are:

- Extended Producer Responsibility
- More emphasis on re-cycling
- Greater education of the community so that employees also put pressure on employers who disregard best practice
- Packaging reduced and recyclable

Yours sincerely

Valerie Neill
