Dear Commissioner

**Productivity Commission Issues Paper:  
Economic Regulation of Airport Services**

MAp Airports Limited is pleased to make a submission in response to elements of the Terms of Reference of the Economic Regulation of Airport Services Inquiry. In particular, we have outlined our international experiences of competition, commercial relationships, regulation and investment.

A copy of MAp's submission is attached.

MAp would appreciate an opportunity to attend and make a presentation at the Commission's public hearings which are currently set down for September/October 2011 following release of the Commission's draft report in August 2011.

Yours sincerely

**Kerrie Mather**  
Chief Executive Officer
