Attention: Mr Marcus James

Dear Mr James

**Subject: Productivity Commission Inquiry - Economic Regulation of Airport Services**

At the request of The Hon Anthony Albanese MP, the Adelaide Airport Consultative Committee (AACC) Planning Coordination Forum has recently reviewed the inquiry terms and Issues Paper regarding the *Productivity Commission Inquiry – Economic Regulation of Airport Services*.

The AACC Planning Coordination Forum consists of representatives from:

- The Commonwealth Department of Infrastructure and Transport
- The South Australian Government Department of Planning and Local Government
- The South Australian Government Department of Transport Energy and Infrastructure
- Planning staff of adjacent Local Government Authorities
- Staff of Adelaide Airport Ltd

The AACC Planning Coordination Forum, at its meeting of 17 February 2011, resolved to make the following comments in relation to the *Productivity Commission Inquiry – Economic Regulation of Airport Services*:

- The AACC Planning Coordination Forum appreciates the opportunity to comment on the Productivity Commission Inquiry – Economic Regulation of Airport Services
- The Forum supports the current inquiry
- The Forum wishes to draw to the attention of the Minister that development on airport land is guided by the Adelaide and Parafield Airport Master Plans. Such documents are prepared and updated following an extensive consultation process. Such Master Plans closely align with the *30 Year Plan for Greater Adelaide*, a strategic master planning document prepared by the SA Government to guide the future development of Greater Adelaide. The *30 Year Plan for Greater Adelaide* reinforces the COAG principles established to guide the future development of our major Australian cities

Mr Marcus James
