Submission

I, Keat Tan of 14 Arenga Court, Mt. Claremont WA 6010, being a registered architect support the view of the Architects Board of Western Australia in that it is paramount that registration of Architects is retained and that the most appropriate model is a Uniform Act across Australia administered by local State or Territory boards.

It is imperative that the public is protected and be confident that they are dealing with a professional who is appropriately qualified by virtue of education, training and experience and has the necessary competencies and resources.

Yours faithfully

Keat Tan
