Dear Ms Cross,

Review of Legislation Regulating the Architectural Profession

As a registered architect of 44 years standing, an active member of the SA Chapter; RAlA, Practice Committee for 32 years and as a joint director of an architectural firm for some 35 years, I have taken an active interest in the document prepared by the Royal Australian Institute of Architects.: "Policy on the Registration and Regulation of Architects" for submission to the Productivity Commission Architects Enquiry.

Please be advised that I completely support all aspects of this document.

Yours sincerely,
