
With slight variations, the participants listed below presented submissions in the following terms:

‘I [name] being a registered architect support the view of the Architects Board of Western Australia in that it is paramount that registration of Architects is retained and that the most appropriate model is a Uniform Act across Australia administered by local State or Territory boards.’

All individual submissions may be viewed at Productivity Commission or State and Territory libraries. Please ring the Commission’s Melbourne Library on 03 9653 2277 if you would like a copy of any of these submissions.

Also the submissions may be purchased at Photobition Digital Imaging Centre (see circular 2 available at <http://www.pc.gov.au/inquiry/architects/index.html>).
