

The NQF is vitally important for ALL Early Childhood Education and Care services.

DO NOT REMOVE NQF FROM PRESCHOOLS OR ANY ECEC SERVICE!!!

All children have the RIGHT to an Early Childhood Education.

The NQF / NQS / EYLF works because it was written by Early Childhood Education and Care ~~services~~ experts and professionals from our sector. It is written by people who "walk the walk and talk the talk."

All children deserve to have a quality early childhood education delivered by a university qualified teacher.

QUALITY EDUCATION all around -
teaching staff + children.

There is no discussion about this.

NQF / NQS / EYLF are all important. Services must have university qualified teachers/educators deliver quality programs for all ECEC.

NO DISCUSSIONS!
