This section asks about your portfolio's total revenues, charges and expenses (but not including the revenues, charges and expenses of agencies that will be completing separate responses to this questionnaire - see Attachment A). All portfolios should complete this section, whether or not you consider you undertake cost recovery.

#### Section 2: Portfolio revenues, charges and expenses

(Please indicate with a 'X' which response applies)

2.1 Has your portfolio charged any cost recovery fees, levies or other charges in the last five financial years?

YES NO

Relevant charges include any fees, levies, taxes (including some customs and excise duties earmarked for specific purposes) or other charges which arise from the services, programs or business activities of your portfolio, and which are collected by your portfolio, or by another agency on your behalf. For example, application fees, processing charges, consultancy fees, publication sales, special industry duties, excises or levies other than general taxation.

2.2 Were any of the appropriations allocated to your portfolio in the last five financial years linked (hypothecated) to revenue collected from fees, levies or charges (for example, levies paid to the Consolidated Revenue Fund but earmarked for allocation to your portfolio)? (Whether the revenue was collected by your portfolio or by another agency on your behalf).

### Section 3: Portfolio revenues and expenses

Please do not include the revenues and expenses in this section of agencies that will be completing separate responses to this questionnaire (see Attachment A).

3.1 Does your portfolio classify revenues and expenses as agency and administered?

Agency revenues and expenses are those controlled by the department/agency (for example, employee and administrative expenses). Administered revenues and expenses are those which are controlled by Government and managed or oversighted by the department/agency on behalf of the Government (for example, social security payments).

If your portfolio classifies revenues and expenses as 'agency' and 'administered' then please fill in both tables below. If your portfolio does not classify revenues and expenses as 'agency' and 'administered' then please put all revenues and expenses in the 'agency' table below.
