Dear Commissioner,

**National Insurance Injury Scheme**

The Launceston City Council at its meeting of 23 May 2011, unanimously resolved to support The Australian Local Government Association's submission on the National Insurance Injury Scheme and forward this view to the Productivity Commission.

While accepting the value of the National Insurance Injury Scheme in principle the Launceston City Council does not support a scheme which relies on Local Government rate collection as a source of funding.

Yours sincerely
