

## Attachment E

## SNAPSHOT of ACT Natural Disaster Resilience Program (NDRP) Projects related to Resilience and Mitigation strategies

2009/10

Mitigation OR Resilience	ORG	PROJECT	Description	\$ Value		\$Total project cost
				Cwlth	Recipient	
MITIGATION	Territory & Municipal Services (TaMs)	Bushfire Operations Plan		10,000	10,000	20,000
RESILIENCE	TaMs	Local Disease control centre connectivity	Design and install of Electrical works and ACTGOV Network	50,000	50,000	100,000
MITIGATION	Community Services	Fire mitigation of Public housing in vulnerable ember zone		300,000	300,000	600,000
RESILIENCE	Education	Gungahlin College - Provision of back-up power supply, enabling college to be used as Emergency Evacuation Centre	Design and install of Electrical works	10,000	10,000	20,000

2010/11

Mitigation OR Resilience	ORG	PROJECT	Description	\$ Value		\$Total project cost
				Cwlth	Recipient	
RESILIENCE	Education	Gungahlin College - Provision of back-up power supply, enabling college to be used as Emergency Evacuation Centre	Additional electrical work and installation of back-up generator	90,000	90,000	180,000
MITIGATION	TaMs	Bushfire mitigation and preparedness	Decreasing the impact of unplanned wildfire posed to	753,000	756,100	1,509,100

**UNCLASSIFIED**

**Attachment E**

			Territory assets by an increased fuel reduction program, and associated Fire Management works			
MITIGATION	Commissioner of Social Services	Bushfire Fuel Reduction	Program to cover clients in housing with mental or physical illness	150,000	150,000	300,00
MITIGATION	TWRA (NPP)			150,000	Not required	150,000

\* *There were a number of other projects – but they do not specifically fall into either Resilience or Mitigation*

**2011/12**

Mitigation OR Resilience	ORG	PROJECT	Description	\$ Value		\$Total project cost
				Cwlth	Recipient	
RESILIENCE	CSD	Preparedness in vulnerable communities	Provide training and resources to community leaders, to work with community to increase resilience.	50,000	50,000	100,000
RESILIENCE	ESA	Flood Diversion	Acquire Barriers and pumping equipment, in response to flood events.	100,000	100,000	200,000
MITIGATION	ACT Rural Fire Service	Integrate the ACT incident mgt arrangements into NSW ICON	Enhance ACT's ability to mitigate risks to public and firefighter safety.	50,000	50,000	100,000
MITIGATION	ACT Rural Fire Service	Wildfire Arson investigation Mgt Course	Course addresses serial bushfire arson in Australia. Final phase of course development	18,400	18,000	36,400

**2012/13 - NDRP & TWRASP Grant projects**

**UNCLASSIFIED**

## Attachment E

Mitigation OR Resilience	ORG	PROJECT	Description	\$ Value		\$Total project cost
				Cmwlth	Recipient	
RESILIENCE	Women's legal Centre	ACT Emergency Legal Help	Development website. In the event of a disaster – ACT Emergency Legal Help			40,000
RESILIENCE & Mitigation	Green Cross Australia	ACT First	An online interactive portal built to encourage ACT citizens to become more self-reliant and resilient to natural disasters.			240,000
MITIGATION	Green Cross Australia	ACTNow - Communications Campaign	Delivery of an interactive, awareness-raising communications campaign to promote the ACT Now web portal.			30,000
Resilience	Lifeline Canberra	Psychological First Aid	Train Lifeline Staff to present the “Psychological First Aid” course. Staff will present the course to organisations/ind & be used in a disaster situation.			100,000
Mitigation & Resilience	Red Cross	REDiplan Project	Train a network of Community Preparedness Facilitators. Build the resilience of vulnerable groups to the impacts of emergencies. Identify local strengths and resources available for disaster resilience			196,096
Mitigation & Resilience	Southside Community Services	Personal Disaster Information Packs	Develop packages for individuals’ information to be recorded and updated, & essential items to assist with the short-term comfort of the older residents.			60,000
Mitigation	Rudy Van Drie	A Flood Mapping "Framework" for the ACT	High Resolution flood and hazard mapping of all catchments contributing to flows in the ACT, including Climate Change Impacts.			60,000
Mitigation	Volunteering ACT	Building Resilience through Volunteers	Recruit, train and manage spontaneous volunteers. Increase community awareness and understanding of general preparedness to natural disasters, through the customisation of an online interactive			93,016

**UNCLASSIFIED**

**Attachment E**

Mitigation	ACT Flood Planning Committee	flood Study of selected Canberra Creek Systems	Undertake a study to ensure resilience to flash flooding and creek flooding in the Canberra area.			250,000
Mitigation	ESA	Yellow Bird Alert Trial	Yellow Bird Alert is an Automatic Linking to Emergency Radio Transmissions system. This involves the construction of trial units, confirming the “wake up” function.			120,000
Mitigation	TAMS	Ginninderra Creek Flooding and Dams Failure Assessment	Assessment of Probable Maximum Flood. Using recently determined extreme rainfall events and revised catchment details for Yerrabi, Gungahlin and Ginninderra Dams.			100,000
Mitigation	ETD	Community Evacuation Centres - Testing of Emergency Generator	The project will test the readiness of Hawker, Narrabundah and Gungahlin Colleges as evacuation centres for the ACT community.			20,000
Mitigation	ESA	Spatial Systems Development (COP)	Spatial integration of dynamic strategic (& tactical) level information for the purpose of better situational awareness of decision makers.			111,000
Mitigation	TAMS	Bushfire Mitigation and Preparedness	Decreasing the impact of unplanned wildfire posed to Territory assets by an increased fuel reduction program, and associated Fire Management works			20,000
Mitigation	ESA	NSW & ACT Weather Forecast Viewer	To provide an online fire weather platform for Bureau of meteorology.			25,000

***In the 12/13 Grant Scheme there is no clarification of costs between Commonwealth and Local Government. This is partly due to the ACT paying costs in advance the year before & 12/13 projects not having to provide a matched or in-kind dollar amount.***
