Dear Mr Weickhardt,

### **Electricity Network Regulation Review**

Thank you for the opportunity to have input into the Productivity Commission's Electricity Network Regulation Review. The Department of Primary Industries is the portfolio agency responsible for Energy matters in the State of Victoria, and has a wide range of comments to make on the Commission's review, drawing upon the experiences of Victoria as a leading jurisdiction in energy market reform.

Yours sincerely

Mark Feather  
Executive Director  
Energy Sector Development
