Dear Sir/Madam,

RE: SUBMISSION FOR THE PRODUCTIVITY COMMISSION INQUIRY

Netball Queensland is the peak state body representing the sport of Netball throughout Queensland. Our mission is "To lead, promote, develop, service and manage the sport of Netball in Queensland".

Netball Queensland is an autonomous organisation solely responsible for the growth and development of the sport and its volunteers in Queensland. Netball Queensland is a member of Netball Australia which is based in Melbourne. Netball Australia looks primarily after the National Competition and the needs of its member organisations. The state organisation does not have any reporting responsibilities to the Netball Australia.

Kedron-Wavell Services Club Inc. has been a supporter of Netball Queensland for a number of years. Their financial support to sponsor the Brisbane North Cougars, commonly known as the Kedron-Wavell Services Club Cougars who compete in Queensland's State League Netball Competition has been greatly appreciated.

Netball Queensland acknowledges the constant and continual support provided to the netball community by Kedron Wavell Services Club. It is from the generosity of the likes of clubs such as Kedron-Wavell Services Club which allows not-for-profit associations such as Netball Queensland to continue to grow.

Yours Sincerely,
