RE. Submission to Productivity Commission Inquiry into Australian Gambling Industry

Organization Name: - Ayr Golf Club Inc  
Establishment Date: - 1932  
Members: - 200 approx.  
Employees: - 2 fulltime, 5 casual  
Business: - We're a non profit organization providing golfing facilities for the town of Ayr and surrounding districts both for our members and the general public. As well as social play we organize competitions for members, nonmembers, veterans and juniors.

We have had and continue to enjoy a good relationship with the Ayr Anzac Memorial Club and their management who have provided us with support in several ways.

## 1. Financial support

Sponsorship of several events each year including our fourball club championships (both mens & ladies)

Sponsorship of our A grade interclub pennants team

Sponsorship of the Ayr Pro Am

Contribution to the printing of our scorecards

Value \$2500 per annum

## 2. Playing support

The Anzac Club organizes and supports a team in our member's monthly Brennans Pennants competition.

The Anzac Club Social Golf Club plays most of their regular monthly events at our course bringing up to 100 players on a Sunday morning.

Estimated Value \$10000 per annum

### 3. Management Support

Our club relies mostly on volunteers and casual employees to operate as we can't afford a full time manager. The professional management at the Ayr Anzac Club often assists us with advice on management (including grant applications), purchasing and compliance issues and are a great help to us in this regard.

Estimated Value \$5000 per annum

We're aware that the Ayr Anzac Memorial Club supports many organizations and charities within our community as well as ourselves. Small communities such as Ayr rely on volunteers and community spirit to achieve a better standard of facilities and opportunities. The assistance provided by the Anzac Club within the community undoubtedly makes a big difference.

Yours faithfully

Ross McLaughlin
