

On average the Club's hours of employment equate to approximately 29 full time employees.

All our employees have Responsible Service Alcohol certification and Responsible Conduct of Gambling certification.

The revenue raised in 2008 was derived 75% from poker machine services and 25% from bar, keno, functions and catering rent as our restaurant facilities are sub contracted.

For the 2008 year the Club contributed \$846K in State poker machine taxation and \$61K in State payroll tax, plus our Goods and Services Tax payments.

The Club has maintained a strong social contribution toward our local community through both Community Development and Support Expenditure and other donations.

The Club, in 2008 provided donations totalling over \$22K to the following:
