Dear Sir/Madam,

I am writing to you regarding the Productivity Commission Inquiry into Australia's gambling industry. I am the Secretary of the P&F Association at St Joseph's Primary School, Chinchilla QLD. We have a long standing and positive relationship with the Chinchilla RSL Club.

Chinchilla is a small regional town where all organisations and businesses rely on each other for support. As a small school we conduct many fundraising events throughout the year which provides a much needed source of income for the school. We have benefited from the support provided by the RSL for a number of years. The RSL Club has supported us by providing sponsorship and donations for our fundraising efforts and they have also provided us with venues for various events in the past.

Our relationship is strong because the RSL is a non-profit organisation and understands the needs of our school and the local community. While we are just one beneficiary of the RSL, we know that many other community services and events would not be available if they did not have the support of local clubs and organisations such as the RSL.

Yours sincerely

Rebecca Cummins
