To Whom It May Concern,

Re: Productivity Commission, Inquiry into the Australian Gambling Industry

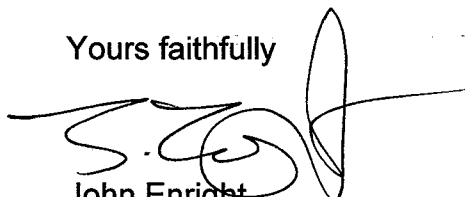

Our school is situated next to the Algester Sports Club and has had a very productive relationship with the club over many years.

The following are some examples of the support they provide:

- Free access on Friday afternoons to the Bowling Green so our senior students can play Bowls as part of their Interschool Sports Program.
- They provide several club members to act as coaches and mentors for our students.
- They provide a trophy for the winning team which they present at our Sports Parade.
- Financially support our Principal Morning Teas that are held every month for our high achieving students and cater for about 70 people. A nominee from the club often attends to distribute the certificates.
- They provide a scholarship at our Graduation ceremony to the student who gains our Citizenship Award.

As we are a non profit making organisation the help we receive from Algester Sports Club is critical to maintaining several of our school programs.

Yours faithfully

John Enright
Principal
