Dear Sir,

CONSERVATION OF AUSTRALIA'S HERITAGE PLACES

The Woollahra History and Heritage, Society wishes to express its support of Woollahra Municipal Council's submission to the Productivity Commission in response to the Draft Report on the Conservation of Australia's historic Heritage Places.

The Society is of the view that implementation of Key Draft Recommendation 8.1 and Draft Recommendations 9.6 and 9.7 would have a drastic effect on the maintenance of the stock of Heritage Places in Australia, which already have to be vigorously defended against the depredations of those who wish to demolish or develop them in ways that would compromise their heritage value.

Those that wish to defend our heritage have fight for it repeatedly. Those that wish to destroy it only have to win once.

Yours sincerely,

Peter Poland  
President
