Contribution of the Not for Profit Sector

Dear Sir / Madam

CONTRIBUTION OF THE NOT FOR PROFIT SECTOR

Amana Living is one of WA's largest aged and community care providers and is the principal aged care agency of the Anglican Diocese of Perth.

I endorse the submission provided by Aged and Community Services Australia (ACSA) as an excellent summary of the community benefit delivered by the not for profit aged care sector.

At Amana Living, our objective is to provide a minimum of 40% of care and accommodation to people who could not afford the required level of service on a commercial basis. In a nutshell, the extent of our 'mission' related services is testimony to the benefit ploughed back into society thanks to the financial concessions afforded to our sector.

Thank you for the opportunity to make this brief submission.

Yours sincerely

RAY GLICKMAN
Chief Executive Officer
