Dear Messrs Woods and Coppel,

Productivity Commission 2013, *Mineral and Energy Resources Exploration*, Draft Inquiry Report, Canberra: Submission and Recommendations of the Ngarluma Aboriginal Corporation RNTBC

We act for the Ngarluma Aboriginal Corporation RNTBC ('the NAC').

The NAC represents the *Ngarluma* Native Title Holders who hold a Federal Court Determination of Native Title in the West Pilbara region in Western Australia.

We are instructed to provide to you the NAC's Submissions and Recommendations in response to the above Draft Inquiry Report.

The Submissions and Recommendations are attached to this letter.

Note that the Draft Inquiry Report does not give an express address for documents to be submitted so we have emailed this letter and the Submissions and Recommendations to the email address set out at the front of the Report document.

Our Ms Emma Wilton will call the Productivity Commission tomorrow, before the deadline for submissions' lodgement, to check that the Submissions and Recommendations have been received.

Yours faithfully,
