

Professor Mike Woods  
Commissioner  
Productivity Commission

Dear Professor Woods

I am writing to correct a statement I made at the Commission's Public Hearings in Sydney.

I stated that no organization contributed more than 5% of the IPA annual budget. In fact, in 1999/00, one organization contributed 7% of our budget. This was not a telecommunications entity.

Yours truly,

Jim Hoggett

Director – Economic Policy  
Institute of Public Affairs
