

I AM A MIXED FARMER FROM SOUTHERN NSW. I WAS AND STILL AM A SUPPORTER OF A SINGLE DESK SYSTEM. I'VE STORED ALOT OF MY GRAIN THIS YEAR ONLY TO FIND PRICES GOING DOWN. HOW AM I SUPPOSED TO FIND THE TIME TO MARKET MY GRAIN AND RUN MY FARMING BUISNE'S ~~SEE~~ SUCCESSFULLY.

I'M NOT BIG ENOUGH TO SPEND TOO MUCH TIME ON COMPUTERS DOING RESEARCH ETC. THIS WAS DONE FOR ME BY AWB AS A SINGLE DESK ORGANISER.

I'M NOT HAPPY AT THE MOMENT WITH THE WAY THING ARE. CHANGE THEM FOR THE SAKE OF SMALL FARMING BUSINESSES.

YOURS FAITHFULLY
J AND C
