Release, Productivity Commission.

Introduction

The *2012 Indigenous Expenditure Report* is prepared by the Steering Committee for the Review of Government Service Provision under the auspice of the Council of Australian Governments.

A printed report, available from the project website (www.pc.gov.au/ier), provides an overview of expenditure on Aboriginal and Torres Strait Islander people across six expenditure areas that align to the National Indigenous Reform Agreement building blocks. This attachment presents the detail estimates that are summarised in the printed report.

The tables in this attachment provides estimates of Australian Government total (indirect plus direct) Indigenous expenditure on services by Type of Program, for 2008-09 and 2010-11. Estimates are provided for expenditure through both Indigenous specific services and those delivered to Indigenous Australians through mainstream services.

Information on the method, data sources and definitions used to compile these estimates is provided in the manuals that support the 2012 Report:

- *Expenditure Data Manual* — provides the definitions of expenditure and expenditure categories used for the estimates reported in the attachment
- *Service Use Measure Definitions Manual* — provides a description of the method for estimating the Indigenous component of expenditure, including the data sources and statements on the quality of those data.

While these estimates represent the best collective effort of the jurisdictions, identifying the Indigenous component of expenditure is difficult, and many data quality and methodological challenges are yet to be resolved. Interpreting these estimates requires an understanding of the strengths and limitations of the method and data, and the context within which Indigenous services are provided. A discussion of these interpretation issues is provided in chapters 2 and 3 of the printed report, respectively.

Other web based attachments

Direct expenditure in individual states and territories:¹

- Attachment W-A Government direct expenditure in NSW
- Attachment W-B Government direct expenditure in Victoria
- Attachment W-C Government direct expenditure in Queensland
- Attachment W-D Government direct expenditure in WA
- Attachment W-E Government direct expenditure in SA
- Attachment W-F Government direct expenditure in Tasmania
- Attachment W-G Government direct expenditure in the ACT
- Attachment W-H Government direct expenditure the NT
- Attachment W-I Government direct expenditure in Australia

Direct expenditure by state and territory:¹

- Attachment W-J Government direct expenditure by type of program (\$'000)
- Attachment W-K Government direct expenditure by type of program (\$/person)
- Attachment W-L Government direct expenditure by driver of expenditure (\$'000)
- Attachment W-M Government direct expenditure by driver of expenditure (\$/person)

Total expenditure by each government:¹

- Attachment W-N NSW Government total expenditure
- Attachment W-O Victorian Government total expenditure
- Attachment W-P Queensland Government total expenditure
- Attachment W-Q WA Government total expenditure
- Attachment W-R SA Government total expenditure
- Attachment W-S Tasmanian Government total expenditure
- Attachment W-T ACT Government total expenditure
- Attachment W-U NT Government total expenditure

Australian Government total expenditure, by state and territory:¹

- Attachment W-V by type of program (\$'000)
- Attachment W-W by type of program (\$/person)
- Attachment W-X by driver of expenditure (\$'000)
- Attachment W-Y by driver of expenditure (\$/person)

¹ Government expenditure comprises direct and indirect expenditure. Direct expenditure includes governments' outlays on services and programs (including income support) that are paid directly to individuals, non-government service providers, or local government. This represents the actual expenditure on services in the reference year. Indirect expenditure includes governments' payments 'to' and 'through' other governments. Indirect expenditure may be spent by the receiving government on services in the reference year, but can also be spent in future periods, or for other purposes if the expenditure is untied (for example, GST expenditure).

Notes:

- 1 A detailed description of the method and data sources underlying the Steering Committee estimates are available in the *Expenditure Data Manual* and the *Service Use Measure Definitions Manual* for the 2012 *Indigenous Expenditure Report*. These manuals are available for download from <http://www.pc.gov.au/ier>.
- 2 'Mainstream expenditure' — is the component of Indigenous expenditure based on services available to all Australians. It comprises 'Ser. Use' — Indigenous share of mainstream expenditure based on services use, and 'Cost Diff.' — Indigenous share of mainstream expenditure based on the difference in the cost of providing mainstream services Indigenous Australians compared to the cost of providing the same services to all Australians.

Table W-V.1

	<i>NSW</i>	<i>Vic</i>	<i>Qld</i>	<i>WA</i>	<i>SA</i>	<i>Tas</i>	<i>ACT</i>	<i>NT</i>	<i>All states</i>
	\$'000	\$'000	\$'000	\$'000	\$'000	\$'000	\$'000	\$'000	\$'000

3 'Indigenous Specific Expenditure' is the component of Indigenous expenditure based on programs and services specifically target to Indigenous Australians. It comprises: 'Sub.' — Substitute Indigenous Specific Expenditure (expenditure on service provided as an alternative to mainstream services), and 'Comp.' — Complementary Indigenous Specific Expenditure (expenditure on services provided in addition to mainstream services).

Notes:

- 1 A detailed description of the method and data sources underlying the Steering Committee estimates are available in the *Expenditure Data Manual* and the *Service Use Measure Definitions Manual* for the 2012 *Indigenous Expenditure Report*. These manuals are available for download from <http://www.pc.gov.au/ier>.
- 2 'Mainstream expenditure' — is the component of Indigenous expenditure based on services available to all Australians. It comprises 'Ser. Use' — Indigenous share of mainstream expenditure based on services use, and 'Cost Diff.' — Indigenous share of mainstream expenditure based on the difference in the cost of providing mainstream services Indigenous Australians compared to the cost of providing the same services to all Australians.
- 3 'Indigenous Specific Expenditure' is the component of Indigenous expenditure based on programs and services specifically target to Indigenous Australians. It comprises: 'Sub.' — Substitute Indigenous Specific Expenditure (expenditure on service provided as an alternative to mainstream services), and 'Comp.' — Complementary Indigenous Specific Expenditure (expenditure on services provided in addition to mainstream services).

Source: Steering Committee for the Review of Government Service Provision estimates (Last updated on 03 August 2012).

Notes:

- 1 A detailed description of the method and data sources underlying the Steering Committee estimates are available in the *Expenditure Data Manual* and the *Service Use Measure Definitions Manual* for the 2012 *Indigenous Expenditure Report*. These manuals are available for download from <http://www.pc.gov.au/ier>.
- 2 'Mainstream expenditure' — is the component of Indigenous expenditure based on services available to all Australians. It comprises 'Ser. Use' — Indigenous share of mainstream expenditure based on services use, and 'Cost Diff.' — Indigenous share of mainstream expenditure based on the difference in the cost of providing mainstream services Indigenous Australians compared to the cost of providing the same services to all Australians.
- 3 'Indigenous Specific Expenditure' is the component of Indigenous expenditure based on programs and services specifically target to Indigenous Australians. It comprises: 'Sub.' — Substitute Indigenous Specific Expenditure (expenditure on service provided as an alternative to mainstream services), and 'Comp.' — Complementary Indigenous Specific Expenditure (expenditure on services provided in addition to mainstream services).

Source: Steering Committee for the Review of Government Service Provision estimates (Last updated on 03 August 2012).

- 2 'Mainstream expenditure' — is the component of Indigenous expenditure based on services available to all Australians. It comprises 'Ser. Use' — Indigenous share of mainstream expenditure based on services use, and 'Cost Diff.' — Indigenous share of mainstream expenditure based on the difference in the cost of providing mainstream services Indigenous Australians compared to the cost of providing the same services to all Australians.
- 3 'Indigenous Specific Expenditure' is the component of Indigenous expenditure based on programs and services specifically target to Indigenous Australians. It comprises: 'Sub.' — Substitute Indigenous Specific Expenditure (expenditure on service provided as an alternative to mainstream services), and 'Comp.' — Complementary Indigenous Specific Expenditure (expenditure on services provided in addition to mainstream services).

Notes:

- 1 A detailed description of the method and data sources underlying the Steering Committee estimates are available in the *Expenditure Data Manual* and the *Service Use Measure Definitions Manual* for the 2012 *Indigenous Expenditure Report*. These manuals are available for download from <http://www.pc.gov.au/ier>.
- 2 'Mainstream expenditure' — is the component of Indigenous expenditure based on services available to all Australians. It comprises 'Ser. Use' — Indigenous share of mainstream expenditure based on services use, and 'Cost Diff.' — Indigenous share of mainstream expenditure based on the difference in the cost of providing mainstream services Indigenous Australians compared to the cost of providing the same services to all Australians.
- 3 'Indigenous Specific Expenditure' is the component of Indigenous expenditure based on programs and services specifically target to Indigenous Australians. It comprises: 'Sub.' — Substitute Indigenous Specific Expenditure (expenditure on service provided as an alternative to mainstream services), and 'Comp.' — Complementary Indigenous Specific Expenditure (expenditure on services provided in addition to mainstream services).

Source: Steering Committee for the Review of Government Service Provision estimates (Last updated on 03 August 2012).

Notes:

- 1 A detailed description of the method and data sources underlying the Steering Committee estimates are available in the *Expenditure Data Manual* and the *Service Use Measure Definitions Manual* for the 2012 *Indigenous Expenditure Report*. These manuals are available for download from <http://www.pc.gov.au/ier>.
- 2 'Mainstream expenditure' — is the component of Indigenous expenditure based on services available to all Australians. It comprises 'Ser. Use' — Indigenous share of mainstream expenditure based on services use, and 'Cost Diff.' — Indigenous share of mainstream expenditure based on the difference in the cost of providing mainstream services Indigenous Australians compared to the cost of providing the same services to all Australians.
- 3 'Indigenous Specific Expenditure' is the component of Indigenous expenditure based on programs and services specifically target to Indigenous Australians. It comprises: 'Sub.' — Substitute Indigenous Specific Expenditure (expenditure on service provided as an alternative to mainstream services), and 'Comp.' — Complementary Indigenous Specific Expenditure (expenditure on services provided in addition to mainstream services).

Source: Steering Committee for the Review of Government Service Provision estimates (Last updated on 03 August 2012).

Notes:

- 1 A detailed description of the method and data sources underlying the Steering Committee estimates are available in the *Expenditure Data Manual* and the *Service Use Measure Definitions Manual* for the 2012 *Indigenous Expenditure Report*. These manuals are available for download from <http://www.pc.gov.au/ier>.
- 2 'Mainstream expenditure' — is the component of Indigenous expenditure based on services available to all Australians. It comprises 'Ser. Use' — Indigenous share of mainstream expenditure based on services use, and 'Cost Diff.' — Indigenous share of mainstream expenditure based on the difference in the cost of providing mainstream services Indigenous Australians compared to the cost of providing the same services to all Australians.
- 3 'Indigenous Specific Expenditure' is the component of Indigenous expenditure based on programs and services specifically target to Indigenous Australians. It comprises: 'Sub.' — Substitute Indigenous Specific Expenditure (expenditure on service provided as an alternative to mainstream services), and 'Comp.' — Complementary Indigenous Specific Expenditure (expenditure on services provided in addition to mainstream services).

Source: Steering Committee for the Review of Government Service Provision estimates (Last updated on 03 August 2012).

Notes:

- 1 A detailed description of the method and data sources underlying the Steering Committee estimates are available in the *Expenditure Data Manual* and the *Service Use Measure Definitions Manual* for the 2012 *Indigenous Expenditure Report*. These manuals are available for download from <http://www.pc.gov.au/ier>.
- 2 'Mainstream expenditure' — is the component of Indigenous expenditure based on services available to all Australians. It comprises 'Ser. Use' — Indigenous share of mainstream expenditure based on services use, and 'Cost Diff.' — Indigenous share of mainstream expenditure based on the difference in the cost of providing mainstream services Indigenous Australians compared to the cost of providing the same services to all Australians.

	\$'000	\$'000	\$'000	\$'000	\$'000	\$'000	\$'000	\$'000	\$'000

3 'Indigenous Specific Expenditure' is the component of Indigenous expenditure based on programs and services specifically target to Indigenous Australians. It comprises: 'Sub.' — Substitute Indigenous Specific Expenditure (expenditure on service provided as an alternative to mainstream services), and 'Comp.' — Complementary Indigenous Specific Expenditure (expenditure on services provided in addition to mainstream services).

Notes:

- 1 A detailed description of the method and data sources underlying the Steering Committee estimates are available in the *Expenditure Data Manual* and the *Service Use Measure Definitions Manual* for the 2012 *Indigenous Expenditure Report*. These manuals are available for download from <http://www.pc.gov.au/ier>.
- 2 'Mainstream expenditure' — is the component of Indigenous expenditure based on services available to all Australians. It comprises 'Ser. Use' — Indigenous share of mainstream expenditure based on services use, and 'Cost Diff.' — Indigenous share of mainstream expenditure based on the difference in the cost of providing mainstream services Indigenous Australians compared to the cost of providing the same services to all Australians.
- 3 'Indigenous Specific Expenditure' is the component of Indigenous expenditure based on programs and services specifically target to Indigenous Australians. It comprises: 'Sub.' — Substitute Indigenous Specific Expenditure (expenditure on service provided as an alternative to mainstream services), and 'Comp.' — Complementary Indigenous Specific Expenditure (expenditure on services provided in addition to mainstream services).

Source: Steering Committee for the Review of Government Service Provision estimates (Last updated on 03 August 2012).

Notes:

- 1 A detailed description of the method and data sources underlying the Steering Committee estimates are available in the *Expenditure Data Manual* and the *Service Use Measure Definitions Manual* for the 2012 *Indigenous Expenditure Report*. These manuals are available for download from <http://www.pc.gov.au/ier>.
- 2 'Mainstream expenditure' — is the component of Indigenous expenditure based on services available to all Australians. It comprises 'Ser. Use' — Indigenous share of mainstream expenditure based on services use, and 'Cost Diff.' — Indigenous share of mainstream expenditure based on the difference in the cost of providing mainstream services Indigenous Australians compared to the cost of providing the same services to all Australians.
- 3 'Indigenous Specific Expenditure' is the component of Indigenous expenditure based on programs and services specifically target to Indigenous Australians. It comprises: 'Sub.' — Substitute Indigenous Specific Expenditure (expenditure on service provided as an alternative to mainstream services), and 'Comp.' — Complementary Indigenous Specific Expenditure (expenditure on services provided in addition to mainstream services).

Source: Steering Committee for the Review of Government Service Provision estimates (Last updated on 03 August 2012).

- 2 'Mainstream expenditure' — is the component of Indigenous expenditure based on services available to all Australians. It comprises 'Ser. Use' — Indigenous share of mainstream expenditure based on services use, and 'Cost Diff.' — Indigenous share of mainstream expenditure based on the difference in the cost of providing mainstream services Indigenous Australians compared to the cost of providing the same services to all Australians.
- 3 'Indigenous Specific Expenditure' is the component of Indigenous expenditure based on programs and services specifically target to Indigenous Australians. It comprises: 'Sub.' — Substitute Indigenous Specific Expenditure (expenditure on service provided as an alternative to mainstream services), and 'Comp.' — Complementary Indigenous Specific Expenditure (expenditure on services provided in addition to mainstream services).

Source: Steering Committee for the Review of Government Service Provision estimates (Last updated on 03 August 2012).

Notes:

- 1 A detailed description of the method and data sources underlying the Steering Committee estimates are available in the *Expenditure Data Manual* and the *Service Use Measure Definitions Manual* for the 2012 *Indigenous Expenditure Report*. These manuals are available for download from <http://www.pc.gov.au/ier>.
- 2 'Mainstream expenditure' — is the component of Indigenous expenditure based on services available to all Australians. It comprises 'Ser. Use' — Indigenous share of mainstream expenditure based on services use, and 'Cost Diff.' — Indigenous share of mainstream expenditure based on the difference in the cost of providing mainstream services Indigenous Australians compared to the cost of providing the same services to all Australians.
- 3 'Indigenous Specific Expenditure' is the component of Indigenous expenditure based on programs and services specifically target to Indigenous Australians. It comprises: 'Sub.' — Substitute Indigenous Specific Expenditure (expenditure on service provided as an alternative to mainstream services), and 'Comp.' — Complementary Indigenous Specific Expenditure (expenditure on services provided in addition to mainstream services).

Source: Steering Committee for the Review of Government Service Provision estimates (Last updated on 03 August 2012).

Notes:

- 1 A detailed description of the method and data sources underlying the Steering Committee estimates are available in the *Expenditure Data Manual* and the *Service Use Measure Definitions Manual* for the 2012 *Indigenous Expenditure Report*. These manuals are available for download from <http://www.pc.gov.au/ier>.
- 2 'Mainstream expenditure' — is the component of Indigenous expenditure based on services available to all Australians. It comprises 'Ser. Use' — Indigenous share of mainstream expenditure based on services use, and 'Cost Diff.' — Indigenous share of mainstream expenditure based on the difference in the cost of providing mainstream services Indigenous Australians compared to the cost of providing the same services to all Australians.
- 3 'Indigenous Specific Expenditure' is the component of Indigenous expenditure based on programs and services specifically target to Indigenous Australians. It comprises: 'Sub.' — Substitute Indigenous Specific Expenditure (expenditure on service provided as an alternative to mainstream services), and 'Comp.' — Complementary Indigenous Specific Expenditure (expenditure on services provided in addition to mainstream services).

Source: Steering Committee for the Review of Government Service Provision estimates (Last updated on 03 August 2012).

Notes:

- 1 A detailed description of the method and data sources underlying the Steering Committee estimates are available in the *Expenditure Data Manual* and the *Service Use Measure Definitions Manual* for the 2012 *Indigenous Expenditure Report*. These manuals are available for download from <http://www.pc.gov.au/ier>.
- 2 'Mainstream expenditure' — is the component of Indigenous expenditure based on services available to all Australians. It comprises 'Ser. Use' — Indigenous share of mainstream expenditure based on services use, and 'Cost Diff.' — Indigenous share of mainstream expenditure based on the difference in the cost of providing mainstream services Indigenous Australians compared to the cost of providing the same services to all Australians.
- 3 'Indigenous Specific Expenditure' is the component of Indigenous expenditure based on programs and services specifically target to Indigenous Australians. It comprises: 'Sub.' — Substitute Indigenous Specific Expenditure (expenditure on service provided as an alternative to mainstream services), and 'Comp.' — Complementary Indigenous Specific Expenditure (expenditure on services provided in addition to mainstream services).
