

12A Outcomes for Torres Strait Islander people — attachment

The tables in this file accompany the Report, *Overcoming Indigenous Disadvantage: Key Indicators 2007*, prepared by the Steering Committee for the Review of Government Service Provision. Background and definitions are available in the Report, which is available on the Review website (www.pc.gov.au/gsp).

This file is available in both Microsoft Excel and Adobe PDF formats on the Review website (www.pc.gov.au/gsp). Users without Internet access can contact the Secretariat to obtain these tables (details inside the front cover of the Report).

Contents

12A Outcomes for Torres Strait Islander people

- Table 12A.1.1** Highest level of education completed by people aged 18 or over, by Indigenous status, 2004-05
- Table 12A.1.2** Home ownership of people aged 18 or over, by Indigenous status, 2004-05
- Table 12A.1.3** Individual weekly income of people aged 18 or over, by Indigenous status, 2004-05
- Table 12A.1.4** Employment status of Indigenous people aged 18 to 64 years, 2004-05
- Table 12A.1.5** Proportion of Indigenous people aged 18 years or over with a long term health condition, 2004-05
- Table 12A.1.6** Selected indicators for people aged 18 or over, by Indigenous status, age standardised, 2004-05

Table 12A.1.1 Highest level of education completed by people aged 18 or over, by Indigenous status, 2004-05
