
Errata – Report on Government Services 2007

The following amendment was made to the 2007 Report since it was released in January 2007.

Part B — Education Preface

Text relating to the average dollar spent per student in non-government schools have been revised due to the correction in calculations made to the average number of FTE figures in non-government schools in table 3A.6. The revised text from page B.6 is reproduced below.

The Australian Government spent an average of \$4515 per student in non-government schools and an average of \$1051 per student in government schools in 2004-05 (table 3A.6).
