
Errata – Report on Government Services 2009

The following amendment was made to the 2009 Report since it was released in January 2009.

Chapter 6 — Police services

Calculations relating to Police staff numbers per 100 000 population in 2007-08 have been corrected. The revisions affect the following chapter table:

- Table 6.1 – The last two numbers in the Total column were calculated incorrectly.

The revised table is reproduced below.
