

Report on Government Services 2013

**HOUSING
(CHAPTER 16)**

This chapter focuses on the performance of governments in providing social housing, including public housing, State owned and managed Indigenous housing (SOMIH), community housing and Indigenous community housing, under the National Affordable Housing Agreement (NAHA).

- Nationally at 30 June 2012, there were 323 423 households occupying 330 906 public housing dwellings and 9 692 households occupying 10 047 SOMIH dwellings (p.16.7-8). A further 61 033 households were assisted with community housing and there were 61 563 community housing tenancy rental units in Australia (p.16.11).
- There were 17 543 permanent dwellings managed by Indigenous community housing organisations at 30 June 2011 (table 16A.3).

Objectives for social housing

Social housing aims to assist people unable to access alternative suitable housing options through the delivery of affordable, appropriate, flexible and diverse social housing. Some forms of social housing aim specifically to contribute to Indigenous community wellbeing by improving housing outcomes for Indigenous people, especially those living in remote communities (p. 16.15).
